## About Conference

In order to make, transform and build more agile organizations through internal management as well as efficient reporting and compliances to the regulators and communicating with other external stakeholders, it takes on how economic performance measurement systems are designed and managed. An improvement in resource allocation and strategy implementation as essential ingredients aligned with evolving key concepts, frameworks in financial accounting standards, integrated financial reporting, management accounting and control systems help in accomplishing multiple complex goals.

New-age technologies coupled with the application of big data within the accounting field are playing a pivotal role and bringing out transformation impact through transparent and real-time, better management control systems. A review and revisit of the adoption of standards, policies as well as technological advancement which have implications on accounting information systems and compliances as well as overall decision making from time to time are the needs of the corporates and professionals.

Towards alignment with recent amendments in Financial Accounting Standards, co-evolving requirements of Integrated Financial Reporting in the age of holding of digital assets, ESG Frameworks along with changes in Extensive Business Reporting Language (XBRL) taxonomy and to provide exposure to emerging accounting technologies to the accounting, finance and technology professionals, ASSOCHAM is organizing 2<sup>nd</sup> International Conference on “**Financial Reporting & Control: Emerging Developments, Challenges, and Solutions**” on 29<sup>th</sup> June 2022 at New Delhi.

The conference would be addressed by eminent practitioners and experts drawn from industry, and having technology accounting, financial and regulatory background in and outside India.

## About ASSOCHAM

The Associated Chambers of Commerce & Industry of India (ASSOCHAM) is the country's oldest and most agile apex chamber, always evolving with the times ever since it was set up in 1920. The ASSOCHAM reaches out to and serves over 4.5 lakh members from trade, industry and professional services through over 400 associations, federations and regional chambers spread across the length and breadth of the country. It has built a strong presence in states, and also spread its wings in the key cities of the world.

With a rich heritage of being led by stalwarts of independent India, like JRD Tata, Nani Palkhivala, H.P. Nanda, L.M. Thapar, A.N. Haksar and Raunaq Singh, among others, the ASSOCHAM has shown the ability to transform itself to the contemporary Corporate India and of late has emerged as the 'Knowledge Chamber', leveraging the country's strength in the knowledge - led global economy. Be it education, health, manufacturing, banking-finance, international trade, energy, human resource, science and technology, entertainment or the rural landscape comprising agriculture and rural infrastructure, the ASSOCHAM has well- established National Councils in each of the segments, chaired by well-known industry leaders, academicians, economists and independent professionals. These councils deliberate extensively and share their inputs with the government.

ASSOCHAM is working hand in hand with the government, institutions of importance and national and international think tanks to contribute to the policy making process even as it shares vital feedback on implementation of decisions of far - reaching consequences. ASSOCHAM is truly an institution of eminence, ever contributing to the task of nation building.
