Accelerated Value Creation for Sustainable Growth

"Emerging Cross Border Trends, Local Issues and Solutions Ahead"

Thursday, 30th January 2025 | 02:00 PM onwards | New Delhi, India

The Associated Chambers of Commerce and Industry of India

About Summit

India's Vision 2047 aims to position the country as a global leader in sustainable development, economic resilience, and technological innovation by the centenary of its independence. With its unparalleled demographic dividend, a robust policy framework, and increasing global integration, India is set to define new paradigms of accelerated value creation. However, achieving these ambitious goals requires a cohesive strategy, syncing with emerging cross-border trends towards addressing the local challenges, and collaborative solutions.

The global economy is undergoing rapid transformation driven by advancements in digitalization and evolving geopolitical landscapes. India's aspiration to become a \$23 trillion economy by 2047 underscores the need to align with global best practices while fostering homegrown solutions. This summit will bring together stakeholders from diverse sectors to deliberate on actionable strategies, innovative frameworks, and policy interventions needed to navigate the emerging complexities of the 21st century.

The ASSOCHAM-CPA Australia Global Summit on "Accelerated Value Creation for Sustainable Growth: Emerging Cross Border Trends, Local Issues and Solutions Ahead" aims to explore emerging trends shaping global business ecosystems, while addressing India's domestic complexities pertaining to M&A transactions with focus on ease of doing business and inviting the world to invest afresh in a sustainably protected environment. It seeks to identify actionable strategies that bridge global opportunities with India's developmental priorities, laying the foundation for accelerated value creation across industries and communities.

About ASSOCHAM

The Associated Chambers of Commerce & Industry of India (ASSOCHAM) is the country's oldest apex chamber. It brings in actionable insights to strengthen the Indian ecosystem, leveraging its network of more than 4,50,000 members, of which MSMEs represent a large segment. With a strong presence in states, and key cities globally, ASSOCHAM also has more than 400 associations, federations and regional chambers in its fold.

Aligned with the vision of creating a New India, ASSOCHAM works as a conduit between the industry and the Government. The Chamber is an agile and forward looking institution, leading various initiatives to enhance the global competitiveness of the Indian industry, while strengthening the domestic ecosystem.

With more than 100 national and regional sector councils, ASSOCHAM is an impactful representative of the Indian industry. These Councils are led by well-known industry leaders, academicians, economists and independent professionals.

The Chamber focuses on aligning critical needs and interests of the industry with the growth aspirations of the nation.

ASSOCHAM is driving four strategic priorities – Sustainability, Empowerment, Entrepreneurship and Digitisation. The Chamber believes that affirmative action in these areas would help drive an inclusive and sustainable socio-economic growth for the country.

ASSOCHAM is working hand in hand with the government, regulators and national and international think tanks to contribute to the policy making process and share vital feedback on implementation of decisions of far-reaching consequences. In line with its focus on being future-ready, the Chamber is building a strong network of knowledge architects. Thus, ASSOCHAM is all set to redefine the dynamics of growth and development in the technology-driven 'Knowledge-Based Economy'. The Chamber aims to empower stakeholders in the Indian economy by inculcating knowledge that will be the catalyst of growth in the dynamic global environment.

The Chamber also supports civil society through citizenship programmes, to drive inclusive development. ASSOCHAM's member network leads initiatives in various segments such as empowerment, healthcare, education and skilling, hygiene, affirmative action, road safety, livelihood, life skills, sustainability, to name a few.
