20 June, 2025

THE WESTIN HYDERABAD MINDSPACE  
Hyderabad 500081, Telangana

Knowledge Partner:

## ABOUT THE CSR AWARDS

Sustainability and Corporate Social Responsibility (CSR) plays a crucial role in the community vis-à-vis the corporate sector considering the environmental and social impact of business decisions. CSR is a “self-regulating business model” that implies the procedures of interaction by a company with its stakeholders and the general public at large, creating a scenario of being socially responsible.

The Central and State Governments have taken extraordinary steps to try and contain the epidemic, such as general confinement and large-scale shutdown of economic activity, as well as issuing aid and recovery packages to support struggling companies and workers. Many companies have also stepped up to contribute to the containment effort and to soften the economic blow on their workers and supply chains. However, government and business responses may also have unforeseen risks of their own.

## OBJECTIVE

The objective of the Award is to acknowledge, motive and incentivize corporate members for their contribution towards social and environmental goals and look at the CSR mandate as an opportunity to move towards strategic philanthropy, rather than an onerous compliance, with support from civil society and the State Governments to make a difference to the lives of people in the state.

**ASSOCHAM Southern region is organising the Corporate Social Responsibility (CSR) and Sustainability Awards to recognize companies that have made a positive impact from April 2023 to March 2024 through their innovative & sustainable CSR initiatives.**

## About ASSOCHAM

The Associated Chambers of Commerce & Industry of India (ASSOCHAM) is the country's oldest apex chamber initiated its endeavour of value creation for the industry in 1920. Built on the vision of nation-building, ASSOCHAM has been a part of the economic history of India. It brings in actionable insights to strengthen the Indian ecosystem, leveraging its network of more than 4,50,000 members, of which MSMEs represent a large segment. With a strong presence in states, and key cities globally, ASSOCHAM also has more than 400 associations, federations and regional chambers in its fold.

Aligned with the vision of creating a New India, ASSOCHAM works as a conduit between the industry and the Government. The Chamber is an agile and forward-looking institution, leading various initiatives to enhance the global competitiveness of the Indian industry, while strengthening the domestic ecosystem.

With more than 100 national and regional sector councils, ASSOCHAM is an impactful representative of the Indian industry. These Councils are led by well-known industry leaders, academicians, economists and independent professionals. The Chamber focuses on aligning critical needs and interests of the industry with the growth aspirations of the nation.

ASSOCHAM is driving four strategic priorities - Sustainability, Empowerment, Entrepreneurship and Digitisation. The Chamber believes that affirmative action in these areas would help drive an inclusive and sustainable socio-economic growth for the country.

ASSOCHAM is working hand in hand with the government, regulators, and national and international think tanks to contribute to the policy making process and share vital feedback on implementation of decisions of far-reaching consequences. In line with its focus on being future-ready, the Chamber is building a strong network of knowledge architects. Thus, ASSOCHAM is all set to redefine the dynamics of growth and development in the technology-driven 'Knowledge-Based Economy'. The Chamber aims to empower stakeholders in the Indian economy by inculcating knowledge that will be the catalyst of growth in the dynamic global environment.

The Chamber also supports civil society through citizenship programmes, to drive inclusive development. ASSOCHAM's member network leads initiatives in various segments such as empowerment, healthcare, education and skilling, hygiene, affirmative action, road safety, livelihood, life skills, sustainability, to name a few.
